Dear Josephine,

Thank you for submitting an application to the Confucius Institute for a K-12 Cultural Access Mini-Grant for your activity: The fabulous Chinese Acrobats. Your application has been favorably reviewed and we are pleased to support this activity with a partial financial contribution of \$800. Your school will receive a check from the University of Minnesota as payment. Please e-mail Ms. Emily Hanson, our community program specialist at: hans0996@umn.edu for detailed procedures.

We ask that you completed a K-12 Cultural Access Mini-Grant Follow-up Report and return it to us within three weeks of the completion of the event. This form will be sent to you in the coming weeks. Please also include any promotional materials that you have produced for this event with the follow up report.

Congratulations and thank you for your work to promote Chinese language and culture in Minnesota!

Sincerely Yours,
