Washington Technology Magnet School – Chinese Language and Culture
1495 Rice St
St Paul, MN 55117

Dear Josephine Auyeung,

Congratulations! We are pleased to inform you that **Washington Technology Magnet School** has been chosen to receive a Global Learners Grant from Global Citizens Network (GCN) and Intercultural Student Experiences (ISE) to cover up to **\$35,992** in program expenses. This amount represents 80 percent of the cost of the 2015 travel program to China for which you applied.

In a few weeks you will receive a grant agreement that will include more details about the grant and its conditions. The agreement will require an authorized signature from Washington Technology Magnet School and will be co-signed by the Executive Director of GCN and ISE, Steve Struthers.

Grant Summary:

- **School:** Washington Technology Magnet School – Chinese Language and Culture
- **Program:** ISE China Program - 11 Days
- **Tentative dates of program:** March/April, 2015 (Actual dates TBD)
- **Group size:** 10 high school students; 2 adult chaperones
- **Financial commitment for grantee:**
20% of published program cost: **\$8,998**
and
Additional personal expenses including luggage, transportation to and from Minneapolis-St. Paul International Airport, passports, visas, immunizations and spending money.
- **Financial commitment from ISE:**
80% of program cost: **\$35,992**

This grant award is based on the proposal you submitted on behalf of Washington Technology Magnet School and is contingent upon adherence to the commitments in that application. Additional conditions determined by GCN-ISE will be outlined in the grant agreement you will receive.

Congratulations again — we look forward to working with you in the coming year!

Sincerely,

Tanya Gajewska
